COACHES UPDATE:

Discussed the purchase of backpacks for Girls team. This was follow up from discussion at last month's meeting. Equipment backpacks embroidered with FHS saberhead logo and uniform number were purchased at start of the season for Girls team. It was proposed that Saberlax parent group possibly pay for the purchase of these backpacks as they are part of the Girls' "uniforms". More information (actual cost) needed in order to vote on whether SaberLAX will cover the purchase of backpacks.

Previous agreement regarding necessary purchase of additional Girls uniforms (due to larger number of Varsity players this season) March 2019 SaberLAX Minutes. FHS (AD Jordan Hein) cover \$500 and SaberLAX cover remaining cost of approximately \$400. SaberLAX authorize that payment as it is less than \$500 therefore not requiring vote. This amount and agreement was for the uniforms only (jerseys and skirts).

SaberLAX President, K. Marion, will follow up with Girls Coach Jules for invoice/cost of backpacks and FHS Athletic Director.

It is expected that SaberLAX parent group will vote at June 2019 meeting regarding purchase of Girls backpacks as they are considered part of the

Girls uniform and will be turned in with jerseys/skirts at the end of each season.
